BCP Council grants North Haven Yacht Club to purchase 25 annual Beach Concessionary Car Parking Permits. BCP attached strict conditions as to how they can be used.

- Parking in Sandbanks Car Park and metered bays in Shore Road.
- **Permits are for members only. Strictly only one permit per household in any period can be used.**
- They cannot be used by non-members or guests to the club
- They must be clearly displayed in the windscreen of the vehicle
- They can only be used when visiting the club premises. Members of the club have no entitlement to use them if they are engaged in activities away from the club's premises.
- Each permit needs to be recorded in the car parking permit log sheet by the member
- Permits can only be used daily and must be returned to the club when the member leaves the club premises
- Permits may be used for overnight stays by boat owners **but only when a member is staying on a vessel registered to a club mooring and only for up to 48 hours. Requests for longer overnight stays by boat owners should be made in writing to the office.**
- The club has the right to suspend any member the entitlement from using the car parking permits if they fail to adhere to the policy statements.
